of Transportation  
**Federal Aviation  
Administration**

Office of Airport Safety and  
Standards

800 Independence Ave., SW.  
Washington, DC 20591

April 29, 2004

Dear Industry Representative:

The enclosed Federal Aviation Administration (FAA) Draft Advisory Circular 150/5320-12C, Change 2, *Measurement, Construction, and Maintenance of Skid-Resistant Airport Pavement Surfaces*, is being circulated to interested industry associations to obtain comments and recommendations of actions to be taken. This change updates paragraph 2-7. CHIP SEAL. Please review the change and submit comments as appropriate.

Comments received prior to May 28, 2004 will be considered for inclusion in the advisory circular.

The document may be obtained in Adobe Acrobat PDF format from the FAA Airports Internet site at: <http://www.faa.gov/arp/publications/acs/draftacs.cfm>

Sincerely,

A handwritten signature in black ink that reads "Rick Marinelli".

Rick Marinelli, P.E.  
Manager, Airport Engineering Division
